**Article 3 - TICKETS**

**3.1 TICKET PRIMA FACIE EVIDENCE OF CONTRACT**

3.1.1 The ticket constitutes prima facie evidence of the contract of carriage between Carrier and the passenger named on the ticket. Carrier will provide carriage only to passenger holding such ticket, or holding, as proof of payment or part payment, any other Carrier document issued by Carrier or its authorised agent. The ticket is and remains at all times the property of the issuing Carrier. The Conditions of Contract contained in the ticket are a summary of some of the provisions of these Conditions of Carriage.

3.1.2 Requirement for Ticket

Except in case of an electronic ticket, a person shall not be entitled to be carried on flight unless that person presents a ticket valid and duly issued in accordance with Carrier’s Regulations and containing the flight coupon for that flight and all other unused flight coupons and the passenger coupon. A passenger shall furthermore not be entitled to be carried if the ticket presented is mutilated or if it has been altered otherwise than by Carrier or its authorised Agent. In case of an electronic ticket, a person shall not be entitled to be carried on a flight unless that person provides positive identification and has ticket valid and duly issued in accordance with Carrier’s Regulation and contained in Carrier’s database.

3.1.3 Loss, etc. of Ticket

In case of loss or mutilation of a ticket, or part thereof, or non-presentation of a ticket containing the passenger coupon and all unused flight coupons, the issuing Carrier may at the passenger’s request, replace such ticket or part thereof by issuing a new ticket on receipt of proof satisfactory to Carrier that a ticket valid for the flights in question was duly issued and upon compliance with appropriate conditions as may be required by the Carrier including the payment of a service charge.
3.1.4 Ticket not Transferable

A ticket is not transferable. If someone other than the person entitled to be carried on a ticket travels pursuant to that ticket or is given a refund in connection therewith, Carrier shall not be liable to the person so entitled if, in good faith it provides carriage, or makes a refund. If a ticket is presented by someone other than the person entitled to be carried hereunder or to a refund in connection therewith, Carrier shall not be liable to the person so entitled if in good faith it provides carriage or makes a refund to the person presenting the ticket.

3.2 PERIOD OF VALIDITY

A ticket is valid for carriage for one year from the date of commencement of travel or if no portion of the ticket is used from the date of issue thereof, except as otherwise provided in the ticket, these Conditions or Carrier’s Regulations.

3.2.1 Extension of validity

3.2.1.1 If a passenger is prevented from travelling within the period of validity of the ticket because Carrier:

1. cancels the flight on which the passenger holds a reservation; or
2. omits a scheduled stop, being the passenger’s place of departure, place of destination or a stopover; or
3. fails to operate a flight reasonably according to schedule; or
4. causes the passenger to miss a connection; or
5. substitutes a different class of service; or
6. is unable to provide previously confirmed space; the validity of such passenger’s ticket will be extended until Carrier’s first flight on which space is available in the class of service for which the fare has been paid.

3.2.1.2 When a passenger holding a ticket, is prevented from travelling within the period of validity of the ticket because at the time such passenger requests reservations, Carrier is unable to provide space on the flight, the validity of such passenger’s ticket will be extended in accordance with Carrier’s Regulations.

3.2.1.3 When a passenger after having commenced his or her journey is prevented from travelling within the period of validity of the ticket by reason of illness, Carrier may extend (provided such extension is not precluded by Carrier’s Regulations applicable to the fare paid by the passenger) the period of validity of such passenger’s ticket until the date when the passenger becomes fit to travel according to a medical certificate, or until Carrier’s first flight after such date from the point where the journey is resumed on which space is available in the class of service for which the fare has been paid. When the flight coupons remaining in the ticket involve one or more stopovers, the validity of such ticket, subject to Carrier’s Regulations, may be extended for not more than three months from the date shown on such certificate. In such circumstances, Carrier may extend similarly the period of validity of tickets of other members of the passenger’s immediate family accompanying an incapacitated passenger.

Any such modification shall be made upon receipt of a proper death certificate and any such extension of validity shall not be for a period longer than forty-five (45) days from the date of the death.

3.3 FLIGHT COUPON SEQUENCE

3.3.1 Carrier will honour flight coupons, or in the case of an electronic ticket, an electronic coupon, only in the sequence from the place of departure as shown on the ticket.

3.3.2 The ticket may not be valid and Carrier may not honour the passenger’s ticket if the first flight coupon, or in the case of an electronic ticket, an electronic coupon, for International travel has not been used and the passenger commences his or her journey at any stopover or agreed stopping place.

3.3.3 Each flight coupon, or in the case of an electronic ticket, an electronic coupon, will be accepted for carriage in the class of service specified therein on the date and flight for which accommodation has been reserved. When flight coupons, or in the case of an electronic ticket, an electronic coupon, are issued without a reservation being specified thereon, space will be reserved on application subject to the conditions of the relevant fare and the availability of space on the flight applied for.

When the amount that has been collected is not the applicable fare the difference shall be paid by the passenger or, as the case may be, refunded by Carrier, in accordance with Carrier’s Regulations.

5.3 ROUTING

Unless otherwise provided in Carrier’s Regulations, fares apply only to routings published in connection therewith. If there is more than one routing at the same fare, the passenger may specify the routing prior to the issue of the ticket. If no routing is specified, Carrier may determine the routing.

5.4 TAXES AND CHARGES

Any tax or charge imposed by government or other authority, or by the operator of an airport, in respect of a passenger or the use by a passenger of any service or facilities will be in addition to the published fares and charges and shall be payable by the passenger, except as otherwise provided in Carrier’s Regulations. The passenger may be required to pay taxes or fees not already collected on the ticket for any reason.

Article 6 - RESERVATIONS

6.1 RESERVATION REQUIREMENTS

Reservations are not confirmed until recorded as accepted by Carrier or its authorised Agent.

As provided in Carrier’s Regulations, certain fares may have conditions which limit or exclude the passenger’s right to change or cancel reservations.

6.2 TICKETING TIME LIMITS

If a passenger has not paid for the ticket (or made credit arrangements with Carrier) prior to the specified ticketing time limit, Carrier may cancel the reservation.

6.3 PERSONAL DATA

The passenger recognises that personal data has been given to Carrier for the purposes of making a reservation for carriage and for obtaining ancillary services, facilitating immigration and entry requirements, and making available such data to government agencies who may share such personal data with other government agencies which is beyond the control of the Carriers. For these purposes the passenger authorises Carrier to retain such data and to transmit it to its own offices, other Carriers or the providers of such services, in whatever country they may be located. (A detailed customer data privacy policy is available on the Carrier’s website).

6.4 SEATING

Carrier does not guarantee to provide any particular seat in the aircraft and the passenger agrees to accept any seat that may be allotted on the flight in the class of service for which the ticket has been issued.

6.5 SERVICE CHARGE WHEN SPACE NOT OCCUPIED

A service charge, in accordance with Carrier’s Regulations, may be payable by a passenger who fails to use space for which a
reservation has been made.

6.6 RECONFIRMATION OF RESERVATIONS

Onward or return reservations may be subject to the requirement to reconfirm the reservation in accordance with and within the time limits specified in Carrier’s Regulations. Failure to comply with any such requirement may result in cancellation of any onward or return reservations.

6.7 CANCELLATION OF ONWARD RESERVATIONS MADE BY CARRIER

If a passenger does not use a reservation and fails to advise Carrier, Carrier may cancel or request cancellation of any onward or return reservations.

Article 7 - CHECK-IN

The passenger shall arrive at Carrier’s check-in location and boarding gate sufficiently in advance of flight departure to permit completion of any Government formalities and departure procedures and in any event not later than the time that may be indicated by Carrier. If the passenger fails to arrive in time at Carrier’s check-in location or boarding gate or appears improperly documented and not ready to travel Carrier may cancel the space reserved for the passenger and will not delay the flight. Carrier is not liable to the passenger for loss or expense due to the passenger’s failure to comply with the provisions of this Article.

Article 8 - REFUSAL AND LIMITATION OF CARRIAGE

8.1 RIGHT TO REFUSE CARRIAGE

Carrier may refuse carriage of any passenger or passenger’s baggage for reasons of safety or if, in the exercise of its reasonable discretion, Carrier determines that:

8.1.1 such action is necessary in order to comply with any applicable laws, regulations, or orders of any state or country to be flown from, into or over or

8.1.2 the conduct, age, or mental or physical state of the passenger is such as to:

8.1.2.1 require special assistance of Carrier, or
8.1.2.2 cause discomfort or make himself or herself objectionable to other passengers; or
8.1.2.3 involve any hazard or risk to himself or herself or to other persons or to property; or

8.1.3 such action is necessary because the passenger has failed to observe the instructions of Carrier; or

8.1.4 the passenger has refused to submit to a security check; or

8.1.5 the applicable fare or any charges or taxes payable have not been paid, or credit arrangements agreed between Carrier and the passenger (or the person paying for the ticket) have not been complied with; or

8.1.6 the passenger does not appear to be properly documented; or

8.1.7 the ticket presented by the passenger:

1. has been acquired unlawfully or has been purchased from an entity other than the issuing Carrier or its authorised Agent, or

9.1.1.1  Items which do not constitute baggage as defined in Article 1 thereof;

9.1.1.2  Items which are likely to endanger the aircraft or persons or property on board the aircraft, such as those specified in the Dangerous Goods Regulations of the International Civil Aviation Organisation (ICAO) and the International Air Transport Association (IATA), and in Carrier’s Regulations (further information is available from Carrier on request);

9.1.1.3  Items the carriage of which is prohibited by the applicable laws, regulations or orders of any state to be flown from, to or over;

9.1.4  Weapons such as antique firearms, swords, knives and similar items may be accepted as baggage in accordance with Carrier’s Regulations.

9.1.5  If any item referred to in 9.1.1 or 9.1.2 are carried, whether or not they are prohibited from carriage as baggage, the carriage thereof shall be subject to the charges, limitations of liability and other provisions of these Conditions applicable to the carriage of baggage.

9.2  RIGHT TO REFUSE CARRIAGE

9.2.1  Carrier may refuse carriage as baggage of such items described in 9.1 as are prohibited from carriage as baggage and may refuse further carriage of any such items on discovery thereof.

9.2.2  Carrier may refuse to carry as baggage any item because of its size, shape, weight or character.

9.2.3  Unless advance arrangements for its carriage has been made with Carrier, Carrier may carry on later flight baggage, which is in excess of the applicable free allowance.

9.3  RIGHT OF SEARCH

For reasons of safety and security, Carrier may request the passenger to permit a search to be made of his or her person and his or her baggage, and may search or have searched the passenger's baggage in his or her absence if the passenger is not available, for the purpose of determining whether he or she is in possession of or whether his or her baggage contains any item described in 9.1. If the passenger is unwilling to comply with such request, Carrier may refuse to carry the passenger or baggage.

9.4  CHECKED BAGGAGE

9.4.1  Upon delivery to Carrier of baggage to be checked Carrier shall take custody thereof and issue a baggage identification tag for each piece of checked baggage.

9.4.2  If baggage has no name, initials or other personal identification, the passenger shall affix such identification to the baggage prior to acceptance.

9.4.3  Checked baggage will be carried on the same aircraft as the passenger unless Carrier decides that this is impracticable, in which case Carrier will carry checked baggage on the next flight on which space is available.

9.5  FREE BAGGAGE ALLOWANCE

Passenger may carry free of charge baggage as specified and subject to the conditions and limitations in Carrier’s Regulations.

9.6  EXCESS BAGGAGE

A passenger shall pay charge for the carriage of baggage in excess of the free baggage allowance at the rate and in the manner

9.7.2 Carrier will refuse to accept an excess value declaration on checked baggage when a portion of the carriage is to be provided by another Carrier which does not offer the facility.

9.8 UNCHECKED BAGGAGE

9.8.1 Baggage which the passenger carries on to the aircraft must fit under the seat in front of the passenger or in an enclosed storage compartment in the cabin. Items determined by Carrier to be of excessive weight or size will not be permitted in the cabin.

9.8.2 Objects not suitable for transport in the cargo compartment (such as delicate musical instruments and the like) will only be accepted for transportation in the cabin compartment if due notice has been given in advance and permission granted by Carrier. The transport of such objects may be charged for separately.

9.9 COLLECTION AND DELIVERY OF BAGGAGE

9.9.2 Only the bearer of the baggage check and identification tag, delivered to the passenger at the time the baggage was checked, is entitled to delivery of baggage. Failure to exhibit the baggage identification tag shall not prevent delivery provided the baggage check is produced and the baggage is identified by other means.

9.9.3 If a person claiming the baggage is unable to produce the baggage check and identify the baggage by means of a baggage (identification) tag, Carrier will deliver the baggage to such person only on condition that he or she establishes to Carrier’s satisfaction his or her right thereto, and if required by Carrier, such person shall furnish adequate security to indemnify Carrier for any loss, damage or expense which may be incurred by Carrier as a result of such delivery.

9.10 ANIMALS

9.10.1 Animals such as dogs, cats, household birds and other pets, when properly crated and accompanied by valid health and vaccination certificates, entry permits, and other documents required by countries of entry or transit will, with the advance agreement of Carrier, be accepted for carriage, subject to Carrier’s Regulations.

9.10.4 Acceptance for carriage of animals is subject to the condition that the passenger assumes full responsibility for such animal. Carrier shall not be liable for injury to or loss, delay, sickness or death of such animal in the event that it is refused entry into or passage through any country, state or territory.

Article 10 - SCHEDULES, CANCELLATION OF FLIGHTS

10.1 SCHEDULES

Carrier undertakes to use its best efforts to carry the passenger and his or her baggage with reasonable despatch and to adhere to published schedules in effect on the date of travel.

10.2 CANCELLATION, CHANGES OF SCHEDULE, ETC.

If due circumstances beyond its control Carrier cancels or delays a flight, is unable to provide previously confirmed space, fails to stop at passenger’s stopover or destination point, or causes the passenger to miss a connection flight on which the passenger holds a reservation, Carrier shall either:

10.2.1 Carry the passenger on another of its scheduled passenger services on which space is available or

10.2.2 Reroute the passenger to the destination indicated on the ticket or applicable portion thereof by its own scheduled services or the scheduled services of another Carrier, or by means of surface transportation. If the sum of the fare, excess baggage charge and any applicable service charge for the revised routing is higher than the refund value of the ticket or applicable portion thereof, Carrier shall require no additional fare or charge from the passenger, and shall refund the difference if
the fare and charges for the revised routing are lower; or

10.2.3 Make a refund in accordance with the provisions of Article 11; and shall be under no further liability to the passenger.

Except in the case of its acts or omissions done with intent to cause damage or recklessly and with knowledge that damage would probably result, Carrier shall not be liable for errors or omissions in timetables or other published schedules, or for representations made by employees, agent or representative or Carrier as to the dates or times of departure or arrival or as to the operation of any flight.

Article 11 - REFUNDS

11.1 GENERAL

On failure by Carrier to provide carriage in accordance with the Contract of carriage, or where the passenger requests a voluntary change of his or her arrangements, refund for an unused ticket or portion thereof shall be made by Carrier in accordance with this Article and with Carrier’s Regulations.

11.2 PERSON TO WHOM REFUND WILL BE MADE

11.2.1 Except as herein after provided in this Article, Carrier shall be entitled to make refund either to the person named in the ticket, or to the person who has paid for the ticket upon presentation of satisfactory proof. In the event payment for the ticket is made through a travel agent, refund shall normally be made through such travel agent.

11.2.2 If a ticket has been paid for by a person other than the passenger named in the ticket, and Carrier has indicated on the ticket that there is a restriction on refund, Carrier shall make a refund only to the person paying for the ticket or to that person’s order.

11.2.3 Except in the case of lost tickets, refunds will only be made on surrender to Carrier of the passenger coupon or passenger receipt and surrender of all unused flight coupons.

11.2.4 A refund made to anyone presenting the passenger coupon on passenger receipt and all unused flight coupons and holding himself or herself out as a person to whom refund may be made in terms of 11.2.2 shall be deemed a proper refund and shall discharge Carrier from liability and any further claim for refund.

11.3 INVOLUNTARY REFUNDS

If Carrier cancels a flight, fails to operate a flight reasonably according to schedule, fails to stop at a point to which the passenger is destined or ticketed to stop over, is unable to provide previously confirmed space or causes the passenger to miss a connecting flight on which the passenger holds a reservation, the amount of the refunds shall be:

11.3.1 If no portion of the ticket has been used, an amount equal to the fare paid;

11.3.2 If a portion of the ticket has been used, the refund will be the higher of:

11.3.2.1 The one way fare (less applicable discounts and charges) from point of interruption to destination or point of next stopover, or

11.3.2.2 The difference between the fare paid and the fare for the transportation used.

11.4 VOLUNTARY REFUNDS

If the passenger wishes a refund of his or her ticket for reasons other than those set out in Paragraphs of this Article the amount of the refund shall be:

11.4.1 If a portion of the ticket has been used, the refund will be an amount equal to the difference between the fare paid and the applicable fare for travel between the points for which the ticket has been used, less any applicable service charges or cancellation fees.

11.5 REFUND ON LOST TICKET

11.5.1 If a ticket or portion thereof is lost, refund will be made on proof of loss satisfactory to Carrier and upon payment of any applicable service charge, on condition.

11.5.2 That the person to whom the refund is made undertakes, in such form as may be prescribed by Carrier, to repay to Carrier the amount refunded in the event and to the extent that the lost ticket or portion thereof is used by any person or that refund thereof is made to any person in possession of the ticket.

11.6 RIGHT TO REFUSE REFUND

11.6.1 After the expiry of the validity of the ticket, Carrier may refuse refund when application therefore is made later than the time prescribed in Carrier’s Regulations.

11.6.2 Carrier may refuse refund on a ticket which has been presented to Carrier or to Government officials of country as
evidence of intention to depart there from, unless the passenger establishes to the Carrier’s satisfaction that he or she has permission to remain in the country and that he or she will depart there from by another carrier or another means of transport.

11.7 CURRENCY

All refunds will be subject to Government laws, rules and regulations or orders of the country in which the ticket was originally purchased and of the country in which the refund is being made. Subject to the foregoing provision, refunds will normally be made in the currency and in the country in which the ticket was paid for.

11.8 BY WHOM TICKET REFUNDABLE

Voluntary refunds will be made only by the Carrier which originally issued the ticket or by its Agent if so authorised.

Article 12 - CONDUCT ABOARD AIRCRAFT

12.1.1 If the passenger conducts himself or herself aboard the aircraft so as to endanger the aircraft or any person or property on board, or obstructs the crew in the performance of their duties, or fails to comply with any instruction of the crew, or behaves in a manner to which other passengers may reasonably object, Carrier may take such measure as it deems necessary to prevent continuation of such conduct including restraint of the passenger.

12.1.2 The passenger may not operate aboard the aircraft portable radios, electronic games or transmitting devices including radio controlled toys and walkie-talkies. The names of Carriers party to the Agreement referred to in this paragraph are available at all ticket offices of such Carriers and may be examined on request.
