

Flight Status Update

In view of the prevailing situation regarding closure of Air Space, we would like to inform our esteemed passengers that astute route-planning for our long and medium haul flights have been drawn up by our Operations in preparedness of any exigency, including closure of air space, so that flights operate with minimal delay according top priority to safety and security.

Inbound and Outbound flights from USA and Europe for Delhi are being re-routed through Ahmedabad and Mumbai. Flights landing into India from USA and Europe are being re-routed via Dubai & Sharjah and will land into India with a delay. Air India would like to inform that no flights are cancelled and there will be only an increase in the flying time.

Kindly check flight status with our Customer care before you leave for Airport.
