

AIR INDIA TO RELOCATE ALL AHMEDABAD FLIGHT OPERATIONS TO TERMINAL 2 FROM 29 MARCH

AHMEDABAD, 27 March 2026: Air India today announced that all its domestic flight operations at Ahmedabad's Sardar Vallabhbhai Patel International Airport will shift from Terminal 1 to Terminal 2, effective 29 March 2026.

The relocation covers Air India's schedule of 210 weekly domestic flights operating to and from Ahmedabad, while the airline's international flights departing and arriving in Ahmedabad already operate from Terminal 2.

From 29 March onwards, all Air India arrivals and departures will operate exclusively from Terminal 2.

This transition is part of Air India's ongoing efforts to enhance the airport experience for guests travelling to and from Ahmedabad. Spread across 49,000 sq. m built-up area, Terminal 2 offers a significantly upgraded passenger experience and is equipped with 52 check-in counters, self-baggage drop kiosks, DigiYatra kiosks, 17 departure immigration counters, 22 arrival immigration counters, 8 Fast Track Immigration e-gates at departures and arrivals, and a wide range of retail and F&B options.

Air India has begun proactively notifying all passengers booked to travel to or from Ahmedabad about the terminal change through SMS, email, and other direct communication channels. Travellers are also advised to double-check their terminal information before heading to the airport to avoid any last-minute inconvenience.

About Air India group

The Air India group – comprising of full-service global airline, Air India, and value carrier, Air India Express – is spearheading a new era of Indian aviation. The Air India story began in 1932 when JRD Tata piloted the airline's inaugural flight and opened the skies for aviation in India. Today, Air India group employs more than 30,000 people, operates over 300 aircraft and carries customers to 59 domestic and 51 international destinations across five continents.

Returning to the Tata Sons in 2022 following 70 years under Government ownership, Air India group is in the midst of a five-year transformation program, Vihaan.AI. As part of the transformation, Air India has placed an order for 600 new aircraft. In 2024, sister airlines Air Asia India and Vistara were successfully merged into Air India Express and Air India, respectively, and the Airline opened South Asia's largest aviation training academy. A new flying school is scheduled to open in 2026, and construction of a greenfield maintenance base, to be operational in 2026, is underway. In addition to receiving new aircraft, all existing aircraft are progressively undergoing a full interior refit.

With transformation underway across all facets of the business and India's rich legacy of hospitality, Air India is committed to being a world class global airline with an Indian heart.
