

AIR INDIA FLIGHTS AT JODHPUR TO OPERATE FROM NEW TERMINAL BUILDING FROM 12 JULY 2026

GURUGRAM, 11 July 2026: Air India today announced that all its flights operating from Jodhpur Airport (JDH) will operate from the airport's New Terminal Building, effective 12 July 2026.

Air India currently operates fourteen weekly flights between Jodhpur and Mumbai and twelve weekly flights between Jodhpur and Delhi, providing customers with convenient connectivity to key domestic and international destinations through its hubs.

The new terminal, spread across 23,342 square metres, offers enhanced passenger comfort and operational efficiency. The facility features 20 check-in counters, advanced security screening systems, state-of-the-art baggage handling facilities, and six aerobridges, enabling a smoother and more seamless airport experience.

To ensure a convenient journey during the transition to the new facility, passengers travelling from Jodhpur on or after 12 July 2026 are encouraged to reach the airport well in advance to allow adequate time for a smooth on-ground experience at the new terminal.

About Air India Group

The Air India Group – comprising full-service global airline, Air India, and value carrier, Air India Express – is spearheading a new era of Indian aviation. The Air India story began in 1932 when JRD Tata piloted the airline's inaugural flight and opened the skies for aviation in India. Today, Air India Group employs more than 30,000 people, operates over 300 aircraft and carries travellers to 60 domestic and 51 international destinations across five continents.

Returning to Tata Sons in 2022 following 70 years under Government ownership, Air India Group is in the midst of a five-year transformation programme, Vihaan.AI. As part of the transformation, Air India has placed orders for 600 new aircraft. In addition to taking new aircraft deliveries, Air India is progressively retrofitting all its legacy aircraft.

The Air India Group operates South Asia's largest aviation training academy in Gurugram, India. The construction of a new flying school and a greenfield maintenance base is in progress.

With transformation underway across all facets of the business and India's rich legacy of hospitality, Air India is committed to being a world class global airline with an Indian heart.
